EXPERIENCE

Owner

2016– Present

Mantrada, LLC

Atlanta, GA

Providing occupational safety and risk management consultation services. Using communication and presentation skills to influence company business decisions. Practicing effective problem solving and listening skills to understand company process and work practices.

Relevant Experience:

- Worked with over 10 commercial insurance carriers to provide timely and thorough risk assessments to inform underwriting selection of potential customers and retention of existing customers
- Provided consultation and training small businesses to manage risks, reduce workplace injuries, and achieve OSHA compliance.

Research Engineer

2012-2016

Georgia Tech Research Institute

Atlanta, GA

Provided safety consultation services to small businesses in the state of Georgia through the OSHA 21(d) Consultation program. Facilitated and managed training courses provided through the Georgia Tech OSHA training institute and Georgia Tech Professional Education.

Key Accomplishments:

- Developed and delivered training new professional education materials related to ergonomics, machine safety, and temporary worker safety
- Supported ergonomic assessment of industrial product packaging

Production Manager

2009-2012

AccuSentry, Inc

Marietta, GA

Oversaw day-to-day operation of production related activities (including manufacturing, purchasing, and shipping/ receiving)

Key Accomplishments:

- Developed a previous iteration of the company website using HTML and CSS
- Reduced the delivery time of spare part orders by 60% and customer repairs by over 80%
- Managed outsourcing of mechanical part assembly/ machining to achieve a 50-90% cost savings

Loss Prevention Consultant

2005-2009

Liberty Mutual

Nashville, TN

Provided loss prevention consulting services to small-to-medium sized businesses across the Southeast. Used data analysis skills to identify key loss trends among customer claims data.

Key Accomplishments:

- Inspected the work facilities of over 200 small businesses across a wide variety of industries
- Work closely with sales and underwriting on the selection and retention of customers.

Dog Walker (Volunteer)

2019-Present

Atlanta Humane Society

Atlanta, GA

Provide exercise and socialization for adult dogs. Counsel potential adopters on the adoption process. Assist in Humane Society adoption and marking events.

Key Accomplishments:

- Over 450 hours of volunteer service

EDUCATION

Certificate in Full-stack Web Development: Georgia Tech, Atlanta, GA

A 12-week intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, jQuery, Progressive Web Apps, Agile Methodology, Bootstrap, React.js, Express.js, Handlebars, Node.js, MongoDB, MySQL, Command Line, Git, and GitHub

M.S. Applied Systems Engineering: Georgia Tech, Atlanta, GA

B.S. Industrial Engineering: Georgia Tech, Atlanta, GA
